REPORT NO.

1. The Viet Minh Tong-bo in Thailand has been moved from Udon, its headquarters since 1946, to Burma. It is believed the move from Thailand to Burma was forced because Thai authorities were aware of the whereabouts of the Tong-bo headquarters.
2. The Viet Minh Tong-bo at Udon has been transferred to Bangkok under the supervision of Kom. Nguyen Ngoc Chan*, who was in charge of the Tong-bo at Udon, has gone to northern Thailand. He has been staying alternately in Lampang and in Thakilek with Le Van Long.**

** Comment. The information contained in paragraph 2 is believed to be more valid than the conflicting information in paragraph 1. The Udon police report to Bangkok authorities, stating that the Viet Minh Tong-bo had moved to Burma, was sent possibly because Chan's presence in northern Thailand appeared to support this conclusion, or possibly to relieve the anxiety of Bangkok officials over the presence of the Tong-bo in Thailand.
